

## **Post-Results Information (GCSE)**

### **Clerical Re-Check**

A clerical re-check is a check that all parts of the script have been marked, and that the totalling and recording of marks is correct. You must do this before **12 noon on 21 September 2026**. The deadline for completion of a clerical re-check is within 10 calendar days from the exam board receiving the request.

If you wish to request a priority review of marking, **do not** use this service, as the results will not be back in time. If you think that you might request a non-priority review of marking after the clerical re-check, **please make sure that you allow enough time** for the completion of the clerical re-check before the deadline for the non-priority review of marking.

### **Priority Review of Marking (Edexcel only)**

If you have a Sixth Form place pending, you can request a priority review of marking. You must do this before **12 noon on 24 August 2026**. Please note that this is only if you have a Sixth Form place pending.

A priority review of marking is a check that the agreed mark scheme has been applied correctly and is free from errors. The paper is reviewed, and reasonable marks will not be changed. Reviewers will not re-mark the script. The deadline for completion of a priority review of marking is within 15 calendar days from the exam board receiving the request.

**It is important to remember that your results can go up or down.**

### **Non-Priority Review of Marking**

If you wish for your marks to be reviewed, you can request a non-priority review of marking. You must do this before **12 noon on 21 September 2026**.

A review of marking is a check that the agreed mark scheme has been applied correctly and is free from errors. The paper is reviewed, and reasonable marks will not be changed. Reviewers will not re-mark the script. The deadline for completion of a non-priority review of marking is within 20 calendar days from the exam board receiving the request.

**It is important to remember that your results can go up or down.**

### **Priority Copy of Script**

If you are considering requesting a non-priority review of marking, you can request a priority copy of script to help you make this decision. You must do this before **12 noon on 2 September 2026 (AQA only) or 12 noon on 9 September 2026 (Edexcel, Eduqas and OCR)**.

### **Non-Priority Copy of Script**

If you would like to have a look at your exam script for any other reason, you can request a non-priority copy of script. You must do this before **12 noon on 20 September 2026**.

This service is not suitable if you need your script to make a decision about a review of marking, as it will not be returned in time.
